This file features Mortgage Bankers, Brokers & Loan Companies.

A mortgage banker is a company, individual, or institution that originates mortgages. Mortgage bankers use their own funds, or funds borrowed from a warehouse lender, to fund mortgages. A mortgage broker is an intermediary who brings mortgage borrowers and mortgage lenders together but does not use their own funds to originate mortgages. The broker also gathers paperwork from a borrower and passes that paperwork along to a mortgage lender for underwriting and approval.

Reach Mortgage Bankers, Brokers & Loan Companies for offers on Seminars, Subscriptions, Books, Recruitment and any other Mortgage related offer.

The Mortgage Bankers, Brokers & Loan Companies list is NCOA'd Quarterly.

**Selections by Type of Business**
