This file features Acupuncturists. These healthcare professionals are qualified or professionally engaged in the practice of acupuncture - the Chinese medical practice of piercing specific body areas with fine needles. The procedure is used to relieve pain, for therapeutic purposes or as a regional anesthesia. Acupuncture is typically considered a form of alternative medicine.

Acupuncture has been known to be an effective treatment for various disorders, including circulatory, immune system, addiction and respiratory, among others.

Reach Acupuncturists for offers on Seminars, Subscriptions, Books, Recruitment and any other Acupuncture related offer.

The Acupuncturists list is NCOA'd Quarterly.
